#### 3 A) Preparation of financial statements not on a going concern

The Uttar Pradesh Pollution Control Board ("UPPCB") had, in October 2019 denied the Company's application for renewal of Consent to Operate its plant at Gajraula, Uttar Pradesh under the Water (Prevention and Control of Pollution) Act, 1974 ("Consent to Operate") inter alia on the following ground:

"The unit is using fresh water for dilution of effluent to achieve the norms of Sodium Absorption Ratio (SAR) 26. The study carried out by /IT Roorkee has not recommended any feasible method for treatment of the effluent to achieve the prescribed norms. The process of dilution with fresh water cannot be allowed. Keeping the facts in view the Consent to operate water/air application is hereby rejected. Unit may submit final report of IIT, Roorkee to Central Pollution Control Board, (CPCB) and seek suitable direction."

The Company thus suspended the operations of its plant located at Gajraula in October 2019. The Company filed fresh applications on November 21, 2019, for Consent to Operate, however, the same were dismissed by the UPPCB vide order dated February 4, 2020. The Company challenged the aforesaid order by separate appeals under Section 28 of the Water (Prevention & Control of Pollution) Act, 1974 and Section 31 of the Air (Prevention & Control of Pollution) Act, 1981 respectively before the Special Secretary, Department of Environment, Forest and Climate, Uttar Pradesh against the orders of UPPCB. However, the Special Secretary vide its order dated December 4, 2020, dismissed the appeals filed by the Company. #### C) Adjustments to carrying values and classification of assets and liabilities

- (i) The Company's management has assessed carrying value of assets and liabilities and based on current estimates, following adjustments have been made in the books of account:
- a) Impairment loss to the carrying values of Property, Plant and Equipment's (PPE) and Intangible assets aggregating to INR 1,424 Lakhs has been recognized in the books of account based on valuation report of an external independent valuer during the year ended March 31, 2021. The valuation is considered to be level 3 in the fair value hierarchy due to unobservable inputs used in the valuation. Valuation of PPE has been carried out on the basis of following key assumptions:
- (i) Since the Zero Liquid Discharge (ZLD) is a mandatory requirement for setting up a new plant, the plant can no longer operate for manufacturing of silica. In view of the same the liquidation values of the assets have been considered by the independent valuer while making the estimate of recoverable amount. The basis for liquidation value approach considers the amount that would be realized when an asset or groups of assets are sold on a piecemeal basis that is without consideration of benefits (or detriments) associated with a going-concern business. A forced sale basis transaction with a shortened marketing period is considered for this valuation where the tangible assets are sold quickly, often for an extremely low percentage of their original cost.
- (ii) For buildings, the method is based on estimation of the cost spent in reproducing the present day structure and thereafter applying liquidation discount in line with market norms and it is assumed that steel structure will fetch more value than the Reinforced Cement Concrete (RCC) on a piecemeal basis.
- (iii) For Plant and Machinery and Other Assets, market approach of valuation has been adopted for estimating the reinstatement value/GCRC (gross current replacement cost). Combination of replacement method and comparison method is used for carrying out the valuation. Liquidation value analysis is carried out in line with market experience and expertise. These assets were categorised between specialised for silica plant and general items. The assets specific to the silica plant are considered at scrap value as per the independent valuers' report. whereas for general items the balance useful life and type of asset has been considered for estimation of liquidation value by the independent valuer.
- b) Right of use assets (ROU) relating to leasehold land have been carried at cost as no loss is expected based on valuation report of an external independent valuer and LOI to the successful bidder. Sales comparison method under market approach of valuation has been adopted by the valuer for estimating the fair value of land. In an active or open market, the identical type of land parcel with similar characteristics are used for valuation. In case of unavailability of direct comparable, relevant adjustments are carried out on available quotes or transaction details with consideration of different factors affecting values of land for estimating the fair value. In order to determine the value of land parcel actual sales instances in the area have been considered. The rate for the subject property has been arrived by adjusting the factor for elapsed lease, size of the property and applying liquidation discount in line with market norms. Liquidation value analysis is carried out in line with market experience and expertise. The valuation is considered to be level 3 in the fair value hierarchy due to unobservable inputs used in the valuation. (Also refer note 3 (B)).
- c) Write down adjustment to the carrying values of Stores and spares aggregating to INR 130 Lakhs has been recognized in the books of account during the year ended March 31, 2021 based on valuation report of an external independent valuer. Valuation of stores and spares has been carried out on the basis of following key assumptions:
- For spares of general plant and machinery scrap value is considered as per the expert valuation report. For spares related to specialised plant and machinery NIL value has been considered.

#### 6 Proceedings before the Labour Court, Rampur

Consequent to the failure of conciliation proceedings between the Company and certain former employees in relation to complaints of the former employees seeking their reinstatement in the Company along with certain other reliefs from the Company, claiming that their services were illegally terminated by paying the voluntary retirement scheme ("VRS") and that the VRS was not specifically asked for by the employees.

Thereafter, the Company has on October 21, 2022 received 35 (Thirty-five) summons in Hindi language, each dated October 17, 2022, from the Labour Court, Rampur, Uttar Pradesh ("Labour Court"), in relation to the applications filed by the ex-employees of the Company.

Thereafter, noting that all the complaints pertain to the same subject matter, Case No. 24 of 2022 being Bijender Singh v Insilco Ltd. was designated as the lead matter.

As on date, authority letters have been filed on behalf of the Company for all complaints. The local counsel has received the written statements on behalf of the Company for all the cases, which are to be exchanged with the former employees' own written statements. Further, we have been informed that the local counsel has filed the written statements on behalf of the Company and has received the written statements on behalf of the ex-employees for all the cases, except that of (a) Mr. Rohit Kumar Baliyan (Adj. Case No.28/2022), who has not yet filed a written statement; and that of (b) Mr. Zakir Hussain (Adj. Case No. 32/2022), who we understand to have died and in his stead, his wife has filed an application for being impleaded into the proceedings as his legal heir, and no written statement has been filed on behalf of Mr. Zakir Hussain.

As such, we noted that the ex-employees have sought the following prayers, vide their respective written statements: (a) reinstatement to their old employment at the Company, on a continuous basis from the date of termination of employment, along with full salary and other allowances payable to them from the date of the termination; and (b) interest at a rate of 20% per annum on the salary pertaining to the period when the ex-employees were allegedly out of work.

Furthermore, the local counsel has received the rejoinders on behalf of the Company for all the cases, which are to be exchanged with the former employees' rejoinders to the written statements filed on behalf of the Company. It has been informed to us that while the local counsel has submitted the rejoinders on behalf of the Company in all the cases before the Labour Court, the rejoinders on behalf of the ex-employees are yet to be submitted to the Labour Court for exchange with the Company.

We have received certain objection applications that have been filed on behalf of the workmen, objecting to the signing of the Company's written statement by the Liquidator, Ms. Kapila Gupta, and seeking rejection of the Company's written statement on such grounds. We have filed individual replies to the aforementioned objection applications.

The Company has also filed applications before the Labour Court seeking that the Workmen be directed to refund the amounts deposited by them under the VRS 2021 in order to continue prosecution of their claims before the Labour Court, as well as applications seeking urgent hearing of the matter owing to the impending liquidation of the Company.

Pursuant to the hearing on March 14, 2024, the Ld. Labour Court was pleased to dismiss the objections raised by the workmen regarding the pleadings filed on behalf of Insilco being signed by the Liquidator of the Company, in favour of Insilco.

Additionally, the Case No. 34/2022 being Bijender Singh v. Insilco Ltd. was designated as the lead matter for all complaints given the commonality of the subject matter of the complaints. On May 30, 2024 the Workmen have filed a fresh set of objections to the aforementioned application seeking refund.

When the matter was called, we insisted that the matter be heard due to the long pendency. We thereafter took the Ld. Judge through the written submissions filed to demonstrate that the monies have been paid to the workmen, and as per authoritative rulings of various courts, the amounts must be refunded. While we showed the relevant documents regarding the VRS 2021 to the Ld. Judge, the Ld. Judge directed the workmen to approach the bench and answer certain questions. The Ld. Judge inquired from the workmen if the signatures on the relevant documents were theirs, and the aforementioned questions was answered in the affirmative by the workmen. The Ld. Judge also inquired if the monies under the VRS 2021 were received by them and still remain in their bank accounts. In response, the workmen stated that the money was received by them, but it is no longer in their bank accounts since the monies were used to fulfil their day-today expenses. The Ld. Presiding Officer took note of our submissions and the answers to his queries from the workmen, and reserved the order, stating that it will be pronounced within 10 (ten) days. The Ld. Judge also informed the workmen that their representative has not filed any written submissions before the Ld. Labour Court despite directions passed on May 30, 2024. He directed the workmen to approach their representative and request him to file written submissions (if any) before the order is pronounced on the application for refund (approximately 10 days).

We appeared before the Ld. Labour Court Rampur on July 25, 2024 for the pronouncement of orders in the application seeking refund of VRS amounts. However, the Ld. Judge was absent, and as such, the order could not be pronounced. The stenographer of the Ld. Labour Court informed us that the workmen have filed their written submissions as per the instructions of the Ld. Labour Court dated July 11, 2024.

We attended the hearing on 8th August 2024. The Ld. Judge could not pass an order on 8th August 2024 and the order is awaited.

## <u>Independent Auditor's Limited Review Report on Unaudited Financial Results for the Quarter</u> ended June 30,2024

To, The Board of Directors, Insilco Limited, B-23, Sector 63, Noida, Uttar Pradesh - 201301

- 1. We have reviewed the unaudited financial results of Insilco Limited (the "Company") for the quarter ended June 30,2024 which are included in the accompanying 'Statement of Standalone Unaudited Financial Results for the quarter ended June 30,2024', (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015"), which has been signed by us for identification purposes. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
- 3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
- 4. We draw your attention to the following matters:
- a) Refer Note 3 (a) to the Statement is regarding suspension of the Company's manufacturing operations due to rejection of the Company's applications for water and air consent approvals by the U.P. Pollution Control Board (UPPCB) vide its order dated October 22, 2019. The Company's appeals before the Special Secretary, Department of Environment, UP have been dismissed by the Special Secretary vide orders dated December 4, 2020. As stated in the said note, the Board of Directors recommended voluntary liquidation of the Company and accordingly, use of the going concern basis of accounting in the preparation of the financial statements is considered inappropriate as there are no realistic alternatives for resumption of the Company's operations and accordingly, the financial results for the quarter ended June 30,2024 have not been prepared on a going concern basis. Further, as stated in Note 3 (b), with effect from June 25, 2021 the Company is under Voluntary Liquidation Process subsequent to consent of the Board on May 31, 2021 and approval of the shareholders and creditors of the Company to voluntarily liquidate the Company and appointment of a Liquidator in accordance with Section 59 of the Insolvency & Bankruptcy Code, 2016 ("Code"). Further, as described in notes 3 (c) to the Statement, future course of action, during the voluntary liquidation process, being adopted for realisation of the Company's assets and settlement of its liabilities might affect the classification and consequential adjustments to the carrying values of assets and liabilities of the Company, the impact of which on the financial results in the Statement cannot be ascertained at this stage.

- b) Refer Note 6 to the Statement regarding ongoing proceedings before the Office of Deputy Labour Commissioner/ Assistant Labour Commissioner (DLC/ALC) in connection with claims of thirty-six exemployees of the Company seeking their reinstatement in the Company along with certain other reliefs from the Company alleging that their services were illegally terminated by paying the amount as per the Voluntary Retirement Scheme (VRS) and that the VRS was not specifically asked for by the employees.
- 5. Based on our review conducted as above, except for the indeterminate effects of the matters stated in paragraph 4 above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
