The Uttar Pradesh Pollution Control Board ("UPPCB") had, in October 2019 denied the Company's application for renewal of Consent to Operate its plant at Gajraula, Uttar Pradesh under the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1974 ("Consent to Operate") inter alia on the following ground:

"The unit is using fresh water for dilution of effluent to achieve the norms of Sodium Absorption Ratio (SAR) 26. The study carried out by /IT Roorkee has not recommended any feasible method for treatment of the effluent to achieve the prescribed norms. The process of dilution with fresh water cannot be allowed. Keeping the facts in view the Consent to operate water/air application is hereby rejected. Unit may submit final report of IIT, Roorkee to Central Pollution Control Board, (CPCB) and seek suitable direction."

The Company thus suspended the operations of its plant located at Gajraula in October 2019. The Company filed fresh applications on November 21, 2019, for Consent to Operate, however, the same were dismissed by the UPPCB vide order dated February 4, 2020. #### C) Adjustments to carrying values and classification of assets and liabilities

The Company's management has assessed carrying value of assets and liabilities and based on current estimates, following adjustments have been made in the books of account:

a) Right of use assets (ROU) relating to leasehold land have been carried at cost as no loss is expected based on valuation report of an external independent valuer and LOI to the successful bidder. Sales comparison method under market approach of valuation has been adopted by the valuer for estimating the fair value of land. In an active or open market, the identical type of land parcel with similar characteristics are used for valuation. In case of unavailability of direct comparable, relevant adjustments are carried out on available quotes or transaction details with consideration of different factors affecting values of land for estimating the fair value. In order to determine the value of land parcel actual sales instances in the area have been considered. The rate for the subject property has been arrived by adjusting the factor for elapsed lease, size of the property and applying liquidation discount in line with market norms. Liquidation value analysis is carried out in line with market experience and expertise. The valuation is considered to be level 3 in the fair value hierarchy due to unobservable inputs used in the valuation. (Also refer note 3 (B)).

Consequent to the failure of conciliation proceedings between the Company and certain former employees in relation to complaints of the former employees seeking their reinstatement in the Company along with certain other reliefs from the Company, claiming that their services were illegally terminated by paying the voluntary retirement scheme ("VRS") and that the VRS was not specifically asked for by the employees.

Thereafter, the Company has on October 21, 2022 received 35 (Thirty-five) summons in Hindi language, each dated October 17, 2022, from the Labour Court, Rampur, Uttar Pradesh ("Labour Court"), in relation to the applications filed by the ex-employees of the Company.

Thereafter, noting that all the complaints pertain to the same subject matter, Case No. 24 of 2022 being Bijender Singh v Insilco Ltd. was designated as the lead matter.

As on date, authority letters have been filed on behalf of the Company for all complaints. The local counsel has received the written statements on behalf of the Company for all the cases, which are to be exchanged with the former employees' own written statements. Further, we have been informed that the local counsel has filed the written statements on behalf of the Company and has received the written statements on behalf of the ex-employees for all the cases, except that of (a) Mr. Rohit Kumar Baliyan (Adj. Case No.28/2022), who has not yet filed a written statement; and that of (b) Mr. Zakir Hussain (Adj. Case No. 32/2022), who we understand to have died and in his stead, his wife has filed an application for being impleaded into the proceedings as his legal heir, and no written statement has been filed on behalf of Mr. Zakir Hussain.

As such, Local Counsel noted that the ex-employees have sought the following prayers, vide their respective written statements: (a) reinstatement to their old employment at the Company, on a continuous basis from the date of termination of employment, along with full salary and other allowances payable to them from the date of the termination; and (b) interest at a rate of 20% per annum on the salary pertaining to the period when the ex-employees were allegedly out of work.

Furthermore, the local counsel has received the rejoinders on behalf of the Company for all the cases, which are to be exchanged with the former employees' rejoinders to the written statements filed on behalf of the Company. It has been informed to us that while the local counsel has submitted the rejoinders on behalf of the Company in all the cases before the Labour Court, the rejoinders on behalf of the ex-employees are yet to be submitted to the Labour Court for exchange with the Company.

Local Counsel have received certain objection applications that have been filed on behalf of the workmen, objecting to the signing of the Company's written statement by the Liquidator, Ms. Kapila Gupta, and seeking rejection of the Company's written statement on such grounds. Local Counsel have filed individual replies to the aforementioned objection applications.

The Company has also filed applications before the Labour Court seeking that the Workmen be directed to refund the amounts deposited by them under the VRS 2021 in order to continue prosecution of their claims before the Labour Court, as well as applications seeking urgent hearing of the matter owing to the impending liquidation of the Company.

Pursuant to the hearing on March 14, 2024, the Ld. Labour Court was pleased to dismiss the objections raised by the workmen regarding the pleadings filed on behalf of Insilco being signed by the Liquidator of the Company, in favour of Insilco.

Additionally, the Case No. 34/2022 being Bijender Singh v. Insilco Ltd. was designated as the lead matter for all complaints given the commonality of the subject matter of the complaints. On May 30, 2024 the Workmen have filed a fresh set of objections to the aforementioned application seeking refund.

When the matter was called, Local Counsel insisted that the matter be heard due to the long pendency. Local Counsel thereafter took the Ld. Judge through the written submissions filed to demonstrate that the monies have been paid to the workmen, and as per authoritative rulings of various courts, the amounts must be refunded. While Local Counsel showed the relevant documents regarding the VRS 2021 to the Ld. Judge, the Ld. Judge directed the workmen to approach the bench and answer certain questions. The Ld. Judge inquired from the workmen if the signatures on the relevant documents were theirs, and the aforementioned questions was answered in the affirmative by the workmen. The Ld. Judge also inquired if the monies under the VRS 2021 were received by them and still remain in their bank accounts. In response, the workmen stated that the money was received by them, but it is no longer in their bank accounts since the monies were used to fulfil their day-to-day expenses. The Ld. Presiding Officer took note of our submissions and the answers to his queries from the workmen, and reserved the order, stating that it will be pronounced within 10 (ten) days. The Ld. Judge also informed the workmen that their representative has not filed any written submissions before the Ld. Labour Court despite directions passed on May 30, 2024. He directed the workmen to approach their representative and request him to file written submissions (if any) before the order is pronounced on the application for refund (approximately 10 days).

Local Counsel appeared before the Ld. Labour Court Rampur on July 25, 2024 for the pronouncement of orders in the application seeking refund of VRS amounts. However, the Ld. Judge was absent, and as such, the order could not be pronounced. The stenographer of the Ld. Labour Court informed us that the workmen have filed their written submissions as per the instructions of the Ld. Labour Court dated July 11, 2024.

On August 08, 2024 the Counsel for the workmen have filed another set of objections to the application seeking refund. As such, Local Counsel appeared before the Ld. Labour Court on September 05, 2024 and filed physical copies of our reply to the fresh objections. It was also intimated to us that a new Presiding Officer has been appointed for the Ld. Labour Court. Hence, hearing in all pending applications, including the Application seeking refund, shall be conducted again.

The Company appointed Local Counsel has intimated us that the next date of hearing before the Ld. Labour court is May 29, 2025.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF INSILCO LIMITED (UNDER LIQUIDATION)

#### Report on the Audit of the Financial Statements

#### Qualified Opinion

We have audited the accompanying financial statements of **Insilco Limited (Under Liquidation)** ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and the profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Qualified Opinion

We draw your attention to the following matters:

a) Refer Note 28 (a) to the financial statement is regarding suspension of the Company's manufacturing operations due to rejection of the Company's applications for water and air consent approvals by the U.P. Pollution Control Board (UPPCB) vide its order dated October 22, 2019. The Company's appeals before the Special Secretary, Department of Environment, UP have been dismissed by the Special Secretary vide orders dated December 4, 2020. As stated in the said note, the Board of Directors recommended voluntary liquidation of the Company and accordingly, use of the going concern basis of accounting in the preparation of the financial statements is considered inappropriate as there are no realistic alternatives for resumption of the Company's operations and accordingly, the financial statement for the year ended March 31, 2025 have not been prepared on a going concern basis. Further, as stated in Note 28 (b), with effect from June 25, 2021 the Company is under Voluntary Liquidation Process subsequent to consent of the Board on May 31, 2021 and approval of the shareholders and creditors of the

Company to voluntarily liquidate the Company and appointment of a Liquidator in accordance with Section 59 of the Insolvency & Bankruptcy Code, 2016 (“Code”). Further, as described in notes 28 (c) to the financial statement, future course of action, during the voluntary liquidation process, being adopted for realisation of the Company’s assets and settlement of its liabilities might affect the classification and consequential adjustments to the carrying values of liabilities of the Company, the impact of which on the financial Statement cannot be ascertained at this stage.

b) Refer Note 29 to the Statement regarding ongoing proceedings before the Office of Deputy Labour Commissioner/ Assistant Labour Commissioner (DLC/ALC) in connection with claims of thirty-six ex-employees of the Company seeking their reinstatement in the Company along with certain other reliefs from the Company alleging that their services were illegally terminated by paying the amount as per the Voluntary Retirement Scheme (VRS) and that the VRS was not specifically asked for by the employees.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (“SA”s) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the financial statements.

### **Key Audit Matter**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Qualified Opinion section above, we have determined that there are no other key matters to be communicated in our report.

### **Information Other than the Financial Statements and Auditor’s Report thereon**

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the financial statements and our auditor’s report thereon. The above reports are expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

e) The matters described in the Basis for Qualified Opinion section of our report may have an adverse effect on the functioning of the company.

f) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.

g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion section of our report.

h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”.

i) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

j) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 22 to the financial statements;

ii. There is no such case for which the Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. ## **ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT**

**(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Insilco Limited (Under Liquidation) of even date)**

### **Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Insilco Limited (Under Liquidation)** (“the Company”) as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the

assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our qualified opinion on the internal financial controls system over financial reporting of the Company.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
