**Notes to the financial results:**

- This statement has been prepared in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other recognised accounting practices and policies to the extent applicable. - As Insilco Limited's (Company) business activity falls within single primary business segment, viz. "Manufacturing of Precipitated Silica" the disclosure requirements of Indian Accounting Standard (Ind AS) 108 "Operating Segments" are not applicable.
- The Uttar Pradesh Pollution Control Board ("UPPCB") had, in October 2019 denied the Company's application for renewal of Consent to Operate its plant at Gajraula, Uttar Pradesh under the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1974 ("Consent to Operate") inter alia on the following ground:  
 "The unit is using fresh water for dilution of effluent to achieve the norms of Sodium Absorption Ratio (SAR) 26. The study carried out by /IT Roorkee has not recommended any feasible method for treatment of the effluent to achieve the prescribed norms. The process of dilution with fresh water cannot be allowed. Keeping the facts in view the Consent to operate water/air application is hereby rejected. Unit may submit final report of IT, Roorkee to Central Pollution Control Board, (CPCB) and seek suitable direction."  
 The Company thus suspended the operations of its plant located at Gajraula in October 2019. The Company filed fresh applications on November 21, 2019, for Consent to Operate, however, the same were dismissed by the UPPCB vide order dated February 4, 2020. The Company challenged the aforesaid order by separate appeals under Section 28 of the Water (Prevention & Control of Pollution) Act, 1974 and Section 31 of the Air (Prevention & Control of Pollution) Act, 1981 respectively before the Special Secretary, Department of Environment, Forest and Climate, Uttar Pradesh against the orders of UPPCB. In view of uncertainties surrounding the completion of a sale transaction within immediate next 12 months from the reporting date, right of use assets have not been classified as "Held for Sale". Also refer Note 6.

(iii) Future course of action, during the voluntary liquidation process, being adopted for realisation of the Company's assets and settlement of its liabilities, might affect the classification and measurement of carrying values of assets and liabilities of the Company. With respect to this matter, the Statutory Auditors have qualified their audit report on the Standalone Ind AS Financial Statement as at and for the year ended March 31, 2021 and review reports on the results of quarters ended December 31, 2020, June 30, 2021 and September 30, 2021.

- During the Financial Year 2018-19, responding to the Company's application to District Magistrate for issue of no objection certificate (NOC) for its proposed LPG project at Gajraula, Uttar Pradesh State Industrial Development Authority (UPSIDA) had asked the Company to submit its approved building maps and certain information relating to change in shareholding of the Company / its promoters since execution of agreement with UPSIDA in the year 1989. Accordingly, on April 25, 2019 the Company had sent a letter to UPSIDC giving them necessary information regarding approved maps and the shareholding pattern of the Company as of March 31, 2019.

Consequently, a letter dated July 18, 2019 was received from UPSIDA asking the Company to submit certain information and documents to evaluate the quantum of transfer charges payable pursuant to change of the controlling interest in the Company by the promoters. The Company has submitted relevant documents and clarifications to UPSIDA in this regard. The Company has further submitted a request letter to UPSIDC / UPSIDA to withdraw the letter dated July 18, 2019 and not to levy any transfer fee on the Company.

The Company has, however, received a letter dated July 1, 2020 from UPSIDA for approval of the change in Shareholding and Directors subject to payment of transfer levy of INR 809 lakhs and the approval shall be subject to certain terms and conditions such as 'restriction on transfer of controlling interest for 5 years, execution of fresh lease deed with the Company, revision of lease rent to INR6.82 lakhs per annum during the next 30 years and thereafter, a lease rent of INR 13.64 lakhs per annum during the next 30 years'. UPSIDA has also sought approved building plan regarding the Company's application for granting no objection certificate for the installation of proposed LPG project.

However, the Company feels that the above conditions levied are without any basis and are based on mistaken understanding of the facts submitted by the Company. The Company has, therefore, replied to UPSIDA vide letter dated July 8, 2020 with a request to provide rationale / reason for imposing transfer levy and terms and conditions thereof. The Company further stated that there is no change in controlling interest and accordingly transfer levy and other terms of this letter are not applicable to the Company. The Company has also requested UPSIDA to give an opportunity to present the case in person before the concerned UPSIDA officials once the epidemic situation has been brought under control.

In response to the Company's letter dated July 8, 2020, UPSIDA sent a letter dated July 24, 2020 to the Company and partially replied to the queries of the Company. In response to the UPSIDA letter, the Company had submitted a letter dated August 31, 2020 and mentioned that the Offer Letter is clearly incomplete as it does not provide any rationale/ reasoning. The Company has further mentioned in its response that the conditions levied in UPSIDA offer letter are absolutely ill-founded, without any basis and not at all applicable under present circumstances. The Company has requested UPSIDA to cancel the imposition of transfer levy on the Company.

On December 24, 2020, the Company had deposited a sum of INR 866 lakhs (including interest of INR 57 lakhs) to UPSIDA under protest which has been expensed off in the books of accounts during the year ended March 31, 2021 under the note 9 "Other Expenses" as "Transfer Levy" to the extent of INR809 lakhs and under "Finance costs" as interest on Transfer Levy to the extent of INR 57 lakh towards Transfer Levy and Interest respectively. The Company vide letter dated December 24, 2020 intimated UPSIDA regarding payment of Transfer levy under protest and again reiterated that while the Transfer Levy and any interest on the said amount are not payable, however, as a law-abiding organization, the Company had decided to remit the Transfer Levy and the interest amount Under Protest and without prejudice to the Company's right under applicable laws and contract with UPSIDA. Further, the Company reserve it's right to initiate appropriate steps for seeking and obtaining refund of all amounts from UPSIDA.

The Company in the said letter reiterated its position and mentioned that there is no alteration of legal and factual position of tenancy of the Company with UPSIDA and hence, the new lease deed is not required to be executed by the Company in terms of aforementioned UPSIDA's letter dated July 1, 2020 and that the conditions levied in UPSIDA offer letter are absolutely ill-founded, without any basis and not at all applicable under present circumstances.

During the year ended March 31, 2021, the Company has preferred a Writ Petition titled Insilco Limited v. State of U.P and Anr. Writ Petition No. 9669 of 2021, before the Hon'ble Allahabad High Court Company for quashing/ setting aside letters dated July 1, 2020, July 24, 2020 and December 22, 2020 issued by UPSIDA, wherein UPSIDA imposed the various conditions on the Company with respect to Transfer Levy, Maintenance Charges, Increase in lease rent, execution of a fresh lease deed which will entail additional liability towards stamp duty & registration charges on the Company, revision of lease rent and restriction on the Company from transferring controlling interest for a period of 5 (Five) years from July 1, 2020, which is pending disposal. The Company's legal counsels have advised that the Company has a good case however they are not in a position to comment on the likely outcome of the proceedings currently pending before the Hon'ble High Court, since the matter is sub-judice.

Further adjustments, if any, will be made upon final resolution of the matter.

With respect to this matter, the Statutory Auditors have qualified their audit report on the Standalone Ind AS Financial Statement as at and for the years ended March 31, 2021 and March 31, 2020, and review reports on the results for the quarters ended June 30, 2020, September 30, 2020, December 31, 2020, June 30, 2021 and September 30, 2021.

We understand that 37 (Thirty-Seven) ex-employees of Company have filed applications before the office of the DLC /ALC seeking their reinstatement in the Company along with certain other reliefs from the Company. B. A suit numbered O.S. No. 449 of 2021 has been registered on September 13, 2021 before the Ld. Civil Judge (Senior Division) Amroha District Court ("Ld. Court"), instituted by 36 (thirty-six) former employees of the Company praying for a permanent injunction on the alienation of the machinery at the Insilco factory at Gajraula, Uttar Pradesh and revocation of the Voluntary Retirement Scheme offered to the employees.

The suit has been registered by the Ld. Court and the Company has been directed to file its written statement in the suit vide order dated September 13, 2021.

Vide order of the same date, the Ld. The duly-appointed Court Commissioners visited the premises of the factory of the Company on October 7, 2021. They are yet to file their report with the Ld. Court.

The Company presently intends to file its replies to the suit and the application and also various other applications to, inter alia, seek rejection of the plaint and to bring on record the Liquidator of the Company as a necessary party to the suit proceedings. No material communication made during the hearing on October 28, 2021 for proceedings and next date of hearing will be communicated by the authority.

## Review Report

To  
The Board of Directors  
Insilco Limited  
A-5, UPSIDC Industrial Estate,  
Bhartiagram, Gajraula – 244223  
Uttar Pradesh

1. We have reviewed the unaudited financial results of Insilco Limited (the “Company”) for the quarter and the half year ended September 30, 2021 which are included in the accompanying ‘Statement of Standalone Unaudited Financial Results for the quarter and the half year ended September 30, 2021’, Statement of Assets and Liabilities as on that date and Statement of Cash Flows for the half year ended on that date (the “Statement”). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the “Listing Regulations, 2015”), which has been signed by us for identification purposes. The Statement is the responsibility of the Company’s management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity” issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.
3. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
4. We draw your attention to the following matters:
  - a) Note 3 to the Statement is regarding suspension of the Company’s manufacturing operations due to rejection of the Company’s applications for water and air consent approvals by the U.P. Pollution Control Board (UPPCB) vide its order dated October 22, 2019. The Company’s appeals before the Special Secretary, Department of Environment, UP have been dismissed by the Special Secretary vide orders dated December 4, 2020. As stated in the said note, the Board of Directors recommended voluntary liquidation of the Company and accordingly, use of the going concern basis of accounting in the preparation of the financial statements is considered inappropriate as there are no realistic alternatives for resumption of the Company’s operations and accordingly, the financial results for the quarter and half year ended September 30, 2021 have not been prepared on a going concern basis. Further, as stated in Note 4, with effect from June 25, 2021 the Company is under Voluntary Liquidation Process subsequent to consent of the Board on May 31, 2021 and approval of the shareholders and creditors of the Company to voluntarily liquidate the Company and appointment of a Liquidator in accordance with Section 59 of the Insolvency & Bankruptcy Code, 2016 (“Code”). Further, as described in notes 4 and 5 to the Statement, future course of action, during the voluntary liquidation process, being adopted for realisation of the Company’s assets and settlement of its liabilities might affect the classification and consequential adjustments to the carrying values of assets and liabilities of the Company, the impact of which on the financial results in the Statement cannot be ascertained at this stage.

- b) Note 6 to the Statement regarding letter dated July 1, 2020 of Uttar Pradesh State Industrial Development Authority (UPSIDA) granting conditional approval of the change in Shareholding and Directors in earlier years subject to payment of proportionate transfer levy amounting to Rs.809 lakhs, restriction on transfer of controlling interest for five years, execution of fresh lease deed with the Company, increase in lease rent during remaining period of lease of land and compliance with other conditions. As described in the said note, the company has deposited transfer levy of INR 809 Lakhs along with interest of INR 57 Lakhs under protest which was expensed off during the year ended March 31, 2021 and has contested before UPSIDA that the aforementioned other terms and conditions in respect of the lease are not applicable to the Company. As described in the said note, the Company has filed writ petition before the Hon'ble Allahabad High Court in this regard which is pending disposal.
- c) Note 10A to the Statement regarding ongoing proceedings before the Office of Deputy Labour Commissioner/ Assistant Labour Commissioner (DLC/ALC) in connection with claims of thirty-six ex-employees of the Company seeking their reinstatement in the Company along with certain other reliefs from the Company alleging that their services were illegally terminated by paying the amount as per the Voluntary Retirement Scheme (VRS) and that the VRS was not specifically asked for by the employees. Further, as stated in the Note 10B to the Statement, suit before the Ld. Civil Judge (Senior Division) Amroha District Court ("Ld. Court"), instituted by the said thirty-six former employees of the Company praying for a permanent injunction on the alienation of the machinery at the Insilco factory at Gajraula, Uttar Pradesh and revocation of the Voluntary Retirement Scheme offered to the employees is pending disposal. As described in the said notes, the Company is not in a position to comment on the likely outcome of the ongoing proceedings.

Pending resolution of these matters, we are unable to comment on the aggregate potential impact, if any, on the financial results in the Statement.

5. Based on our review conducted as above, except for the indeterminate effects of the matters stated in paragraph 4 above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies, and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
